

## **VIM Technologies COVID-19 Procedures During In-Person Events**

VIM Technologies is committed to providing a safe and healthy environment while hosting in-person events. VIM Technologies has developed the following COVID-19 protocol to minimize the risk of transmission of COVID-19.

- All VIM Technologies employees attending the event will test for COVID-19 every morning.
- Attendees are not required to take COVID-19 tests.
- Masks are not required to attend the event, but if attendees feel more comfortable wearing a mask, they are encouraged to do so.
- Attendees who wish to test themselves for COVID-19 will be provided free tests.
- Anyone who is not feeling well is encouraged to test themselves for COVID-19 before attending the event.
